ABSTRACT

There is such a thing as Too Much Information (TMI). My brother once said that TMI is what drives the world, some times causing fits of Laughing Out Loud (LOL). If one is to get in a especially deep fit of the LOLs, then one could find oneself Rolling On The Floor Laughing Out Loud (ROTFLOL).

By the way, α and β are Greek letters.

CHAPTER 1

INTRODUCTION

Take a look at Figure 1.1. It has some shapes. They're very complex and interesting shapes. I could gaze at them for hours.

Figure 1.1: Some shapes which I find very interesting. (has longer line than 1, so that we can try it in LoF).
